Investor Relations Department

HOW CAN WE SUPPORT YOU?

1
step

Choice of investment location

- A person dedicated to your project who assists you throughout the investment preparation and implementation process
- Providing necessary data about talent pool and city potential
- Organising tailor made meetings with the city authorities, university, real estate and HR industry representatives
- Visiting the must-see places in Poznań

2
step

Preparation for starting business. Employer branding

- Gathering real estate offers meeting your requirements
- Support in obtaining necessary administrative decisions
- Providing conference rooms for recruitment and training needs
- Joint promotion of your project in the local environment
- Creating positive image of your company as an employer
- Bespoke solutions to attract the best employers for your company

3
step

Support in on-going activities

- Scholarships for your interns
- Joint CSR activities organized with the City of Poznań
- Initiatives enhancing Poznań labor market
- Support in response to your needs
