

Center for Innovative Education  
invites to participate in:

## Competences of the 21<sup>st</sup> century and challenges of education.

Local Government - Employer - Education.

17<sup>th</sup> – 18<sup>th</sup> of October | Poznań

UAM, Collegium Minus, Sala Lubrańskiego, ul. Wieniawskiego 1

- How can education, local government and business improve the effectiveness of their cooperation?
- What does the employee of the 21<sup>st</sup> century look like?
- What competences and skills are needed and how to develop them?
- How important is informal education and how important are foreign internships?
- What today's youth expect from formal education?

We invite employees, specialists and people who are interesting in education and labour market in: local governments, business, education, academic institutions.
